OUR MISSION

Resist is a foundation that supports people’s movements for justice and liberation. We redistribute resources back to frontline communities at the forefront of change while amplifying their stories of building a better world.

OUR WORK

Resist has supported thousands of groups working on the frontlines for gender equality, racial justice, LGBTQ freedom, immigrants’ rights, economic and environmental justice. Movements for social change have transformed since Resist’s founding, and Resist continues to transform with them. Today, we fund progressive organizations that are resisting, re-imagining, healing, and transforming towards the world we want to see.

THIS GIVING GUIDE

Happy Pride! This month the world celebrates the resilience, vision, and brilliance of the queer community. From its inception, pride has been a time to reflect on and resist the ongoing societal and systemic oppressions that LGBTQ folks face daily. Here at Resist, we believe that the movement is winning, in beautiful ways, thanks to the queer groups on the ground moving the needle for us all. While we celebrate these wins, we ask you to join us in directly supporting these groups who marching us, hand in hand, towards a new world for us all.
SUPPORT QUEER LIBERATION

Below you'll find a directory of Resist grantees who won't stop resisting and re-imagining a world until queer liberation, visibility, dignity, and rights are possible and cannot be stripped away. They deserve your direct support year-round, not just during pride month.

In this moment, amidst a global health crisis and the mass uprisings across the country in response to state sanctioned violence, these small, grassroots groups are on the frontlines, responding to and uplifting the communities forgotten by COVID-19 relief efforts and brutalized by the police. Because of this, we urge you to prioritize Black Queer and Trans-led grantees in your giving.

CONSPIRE WITH US!

We will never have the money that those in power have, but Resist believes in a simple equation: a little bit of support plus grassroots creativity and passion can equal radical social change.
